Top 10 countries of registrants

45% Female	55% Male	31% <29 years old	44% 30-49	23% 50-69	1% 70-89

THIRD DISCUSSION ROUND

Start and end dates

December 04 to March 12

Unique users - people who have visited the site (if you visit the site 10 times a day for 10 days, it will still only count as one visit, unless you use a different device):
93,515

Sessions - the number of times people have visited or returned to the site (if you visit the site 10 times a day for 10 days it would count as 100 sessions)

180,249

Average Session Duration: 4 minutes 40 seconds (this is high and is an excellent indicator that people are interacting with content)
